

"The Idea Box for the Creative and Interactive Childbirth Educator" and its supplement: "Staying Energized"

was created by Teri Shilling, CEO (creative energy organizer) for Passion for Birth.

If you sign up and pay for your seminar* at least 30 days in advance - a complimentary copy of *The Idea Box*** will be given to you at the seminar.

(* sorry, only those seminars where PFB handles the registration is this offer possible

**If you want "*Staying Energized*" instead, send an email at least 10 days in advance and a switch will be made.)

Didn't sign up in time for a free copy?

You can still get a bargain - the Idea Box is reduced to \$20 and Staying Energized is \$10 and shipping to the seminar is free. Send an email to teri@passionforbirth.com at least 10 days in advance. After that you will still get the reduced price, but you will need to cover shipping.
