

Summer 2009 Newsletter

Today's newsletter uses a lot of images from imagechef.com. Go there and have fun!

Most of this issue deals with nuts and bolts of the new changes in becoming Lamaze certified and hosting PFB seminars. For those of you who have subscribed for teaching ideas, I promise that the fall newsletter will have more of that...in the meantime check out the teaching ideas [here](#)

Hope you have also seen the new healthy birth clips created by
